

Attention:

With the impact of the global pandemic caused by COVID-19 evolving rapidly, we want to reassure you that Wilton Farmers Elevator is taking steps to protect the health and safety of our employees, our owners and customers, and the community we serve.

To protect the safety and well-being of our team and customers, our offices at Wilton Farmers Elevator will be restricted to personnel only and invited contractors only.

This policy will not affect grain deliveries as these processes are completed without close personal contact.

We will continue to process settlements and payments as customers request them, however all checks will be mailed.

If you prefer to pick up your check, please call in advance, and we will coordinate an exchange.

We will make every effort to accommodate customers if there is a specific need.

Please contact us with any questions at 701-734-6780.
